Gratified with the result upon himself, he tested
his discovery upon others who suffered from nervous
pain and in every case the relief was perfect.
The cure performed by his gifts of Polyform be-
came so celebrated and the demand upon his time
and attention so great, Prof. Edison finally yielded
to the solicitation of those who knew the merits of
his preparation and allowed a company to be formed
for the manufacture and sale of Polyform under his
superintendence.

The merit of remarkable cures, and the suffering
Polyform has saved, attest the wisdom and
philanthropy of this course.

No higher testimony could be adduced than the
certificates of Prof. Edison, who authorizes the pub-
lication of the following:

I CERTIFY THAT THE PREPARATION
KNOWN AS EDISON'S POLYFORM IS MADE
UP OF PURELY BENEFICIAL INGREDIENTS AND
IS USED BY MYSELF.

For many other complaints besides Neuritis,
such as Rheumatism, Headaches, Sciatica,
Gout, "Painful Remedy," he still continues the
same, without abatement of the skin, Polyform will
give prompt relief.

AN OPEN SECRET

AMONG THE LADIES

The brilliant, fascinating tints of complexion for which ladies strive are chiefly artificial, and all who will take the trouble may secure them. These roses, bewitching hues follow the use of Hagan's Magnolia Balm—a delicate, harmless and always reliable article. Sold by all druggists.

The Magnolia Balm conceals every blemish, removes sallowness, tan, redness, eruptions, all evidences of excitement and every imperfection. Its effects are immediate and so natural that no human being can detect its application.
